For suitable **device supply cables**, see from page 66.

For suitable **Custom Modules**, see from page 172.

DESK 2 is secured to the furniture in a space-saving manner with aluminium mounting brackets, cables are routed behind the screen.

Particular attention has been paid to the design of DESK 2. In terms of technology, DESK 2 has a modular structure, just like its predecessor DESK 1. Like all other BACHMANN desk connection panels with media and data modules, DESK 2 is adapted to individual requirements and future purposes using BACHMANN Custom Modules.
