

ELEVATOR COVER

The add-on for flexible installation

ELEVATOR COVER is the ideal add-on and screen for the ELEVATOR multiple-socket outlet. Two versions are available, both of which optimally encase each ELEVATOR multiple-socket outlet and add to the installation options.

BASE is the stainless steel look profile for installing under the kitchen wall cupboard;
INSTALLATION is a housing for fitting inside the cupboard.

The benefits at a glance

- Installation add-ons and screens suitable for the ELEVATOR power strip
- Mounted on the wall or in a corner
- Two versions available (in or below wall cupboard)
- Quick and easy to install
- Suitable for retrofitting
